About Mennonite Mission Network

Mennonite Mission Network is the mission agency of Mennonite Church USA. MMN has offices in Elkhart, Ind.; Newton, Kan.; and Harrisonburg, Va.; along with dispersed staff throughout the United States. We currently support workers and ministries in more than 50 countries.

Our mission: Mennonite Mission Network exists to lead, mobilize and equip the church to participate in holistic witness to Jesus Christ in a broken world.

Our goal as the mission agency of Mennonite Church USA is that every congregation and all parts of the church will be engaged in God's mission across the street and around the world. Our work is focused on partnering with others to equip missional congregations and their leaders to share the whole gospel of Jesus Christ in their culture.

Our values: Mennonite Mission Network has a distinctly **Anabaptist approach** to mission. We hold evangelism, witness and personal transformation together with peace, justice and social transformation, believing that each of these values has an important place within the kingdom of God.
